Heavy Duty Platform Ladder

Heavy Duty Platform Ladder

A Heavy-Duty Platform Ladder is a strong and sturdy ladder designed for tough jobs. It has a wide, flat step at the top where you can stand safely while working. These ladders are made for heavy use and can hold more weight than regular ladders.

Product Features

It is creative to combine platform ladder with A-shaped ladder perfectly, and it is more safety and comfortable. It can meet high operating requirements for long time. It is convenient to carry and transportation.
